# Ahmad EL ALI

## Project Manager

With 5+ years of professional experience, I am committed to using my project management, strategic planning, and interpersonal skills to contribute to the success of your projects. My medium-term goal is to take on the responsibility of a division, while continuing to add value to your company.

## Professional Experiences

---

### Project Manager

ALFA LAVAL - France  
Feb 2022 – Present

- **Manage heat exchanger** maintenance projects for **over 40 clients**.
- **Monitor** end-to-end projects and client **invoicing**.
- **Collaborate** closely with international factory teams.
- Have **expertise** in industry regulations and standards.
- Oversee budgets exceeding **20 million euros** for **EDF**.
- **Train new employees** to strengthen the team.

### Work manager

EQUANS - France  
Dec 2020 – Dec 2021

- **Manage** complex projects in the installation of antennas for **GRDF** with a team of two people.
- Design and **plan** precisely.
- **Coordinate** teams and apply safety standards.
- **Resolve technical issues** and manage details.
- **Monitor** projects for successful completion.

### Responsible business

COMSA - France  
May 2019 – Oct 2020

- **Electrical installation** projects at **CERN**, covering technical, economic, regulatory and quality aspects.
- Strictly **control costs** and follow action plans.
- **Organize and manage construction sites**, including planning, procurement and personnel (managed a team of 10 to 30 people).
- Work **independently** and in **pairs** for 8 months, then independently for 10 months.
- Successfully **deliver projects** thanks to proven expertise.

### Construction price study engineer/Works manager CFO and CFA

Bouygues Energies & Services - France  
Apr 2018 – Sep 2018

- Expertly evaluate electrical projects in the building sector, ensure **effective planning**.
- Carry out precise **costing** of electrical projects using advanced methodologies for optimal financial management of projects.
- Carry out high-quality **technical pre-studies** and technical briefs for successful projects.
- Direct the **conduct of work** on site with precise management of planning and technical files, while constantly seeking innovative solutions for electricity in construction, and master the **NF-C 15-100 and EN 12464 standards**.

### Assistant BMS and HVAC System Engineer

Sela PASS - KSA  
June 2015 – Oct 2015

- Develop strong IT skills, including the implementation of measurement and planning methodologies.
- Gain practical experience on work sites, actively contributing to the implementation of BMS and HVAC systems.
- Complete specialized training on cooling systems, thereby strengthening my mastery of these essential technologies.

### Front-End Developer

Freelance - France  
2020 & 2017

#### Consultant in web development and WordPress site creation

Consultant in web development and creation of WordPress sites, I was responsible for the design, configuration, and complete maintenance of websites. I also worked with clients to meet their needs and create custom logos.

#### Consultant in web development and marketing

For the creation of an online store, I used HTML, CSS and JavaScript, while providing ongoing maintenance, contributing to marketing strategies, designing logos and making regular updates to content and images.

## Education

- **Professional Certificate in Front-End Development**  
*2023 – Meta, Coursera*
- **Master in Industrial Computing and Electrical Energy System - Automatic**  
*2016 – 2018 – ENSEEIHT*
- **Degree in Mechatronics**  
*2013 – 2016 – Balamand University*

## Skills

- Ability to manage and **coordinate teams** to achieve specific goals.
- **Communication** skills to collaborate with cross-functional teams.
- Ability to **assess risks** and develop action plans to manage them effectively.
- Ability to **manage budgets** and track project costs.
- Ability to develop growth strategies and implement **execution plans**.
- Expert management of **customer invoicing**, ensuring accuracy and efficient tracking of payments.
